Challenging others to accept and demonstrate positive values is part of our mission and the basis for Character Development. Building values and behavior consistent with Christian principles is one of the eight goals in the YMCA Constitution and all Y's, including ours, agrees to uphold this.

Benefits of Character Development:

- * It is the positive effort our community needs.
- * It gives us focus for all that we do.
- * It differentiates us from other organizations.
- * It ensures we are doing what we say we do.
- * It provides positive role modeling for children and adults.
- * It ensures consistent and fair treatment of all people.

ABOUT Y-CLUB STAFF

The Y-Club Program is licensed by the **Missouri Department of Health, Bureau of Child Care Safety and Licensure**. Site Directors are approved by the state and hold 60 or more college semester hours, with 12 of the 60 hours in child-related courses. These courses are in the field of elementary education, special education, psychology, sociology, and physical education. Site directors are trained in First Aid and CPR as well.

Site Assistants are at least 18 years old or older and demonstrate an aptitude for child care.

Both Site Directors and Assistants submit yearly Tuberculin skin tests and physical examinations as a condition of employment. The YMCA also conducts Background Screens on all staff through the Family Care Registry with the Department of Health & Senior Services.

All staff participates in initial and ongoing training in topics relevant to school age child care.

Employee/Child Contact Outside of Y-Club

No employee may have contact with a child in their program away from the YMCA. This includes, but is not limited to, transporting a child home, babysitting, socializing or sports.

FINANCIAL ASPECTS OF Y-CLUB

- Y-Club requires patrons to sign up for EFT (Electronic Fund Transfer) services. Any credit card or bank account will suffice.
- The PRIMARY PARENT (first parent listed on the registration form) is responsible for all tuition/fees.
- Accounts are drafted by the YMCA on the 1st of every month of service. We cannot draft on any other day. Insufficient drafts will be assessed additional fees.
- Any delinquency in payments (payment not received on the 1st) may result in

removal from program.

Fees are as follows:

PM:	\$80/month member	\$100/month nonmember
-----	-------------------	-----------------------

- Fees are based on the number of days Y-Club is in session for the whole school year, split over the 10 months of school. August is the only prorated month.
- Registration fee due upon enrollment. August fee drafted on the 1st day of school.

REGISTRATION FEE/WITHDRAWAL POLICY:

- \$30.00 Registration fee is non-refundable.
- Fee is waived during our early registration period for returning program participants. All families (including returning families) who register after the early period will be charged the fee.
- If you choose to WITHDRAW from Y-Club, you must state your intent **in writing** no less than **10** business days before the next month of service.
- Please turn this intent into the **Southern Boone Area YMCA** or email to kbatye@jcymca.org
- Families who withdraw mid-year and then return to Y-Club during that same school year must pay the registration fee again.

FEDERAL ID #: 43-095-3286

OUTREACH CLIENTS: The YMCA provides financial assistance to qualifying families. Please call 657-9622 for information about Outreach through the YMCA.

FAMILY SUPPORT DIVISION CLIENTS: All parents receiving FSD childcare subsidy must initial in and out on the attendance sheet each day as well as provide drop-off & pickup times. Failure to do so will jeopardize your child's enrollment.

If your child misses more than five days per month, FSD will not reimburse Y-Club for the cost of tuition. If you exceed the five days per month, you will then be charged the standard daily rate.

If your FSD assistance expires/isn't authorized the **primary parent** will be responsible for the full tuition amount.

All FSD clients **must** submit their FSD authorization to the YMCA prior to receiving sliding scale rates. FSD rates will be adjusted for the current month of service only. The Y will not file FSD claims for previous months of service.

PATRON ACCEPTANCE OF COSTS:

Insufficient bank drafts are assessed a \$10.00 bank fee. Seriously delinquent accounts will be subject to collection activity. If such occurs, the patron agrees that s/he shall be responsible for any and all of the Southern Boone Area YMCA's expenses, including but not limited to collection costs, court costs, and attorney fees whether or not litigation is commenced. Three insufficient bank drafts can result in removal from Y-Club programs.

REQUIRED REGISTRATION INFORMATION

- **Child Registration form, COMPLETED.**
- **Current Immunization record.**
- **EFT form for payment**

- **If applicable: Individualized Care Plan** for children with special needs (ex. ADHD, asthma, etc). A special needs form can be obtained from the site or child care office. This must be on file **before** a child begins Y-Club. Copy of a child's IEP for behavior/developmental purposes can be substituted. Educational IEP's (ie reading, speech, etc) are not required.

Y-Club is monitored under the rules and regulations set forth by the State of Missouri. If a child's file is not complete upon registration, your child will be ineligible for the program until the information is received.

Parents must re-enroll each school year. The primary parent is responsible for all fees and tuition. Priority is given to families currently enrolled during the spring re-enrollment time.

After early enrollment ends, Y-Club will take registrations on a first-come, first serve basis, regardless of current program participation. New families will not be "bumped" for current families who fail to register during early enrollment.

Waiting lists will be formed if a program is full and a deadline will be given to those who are called off the list. YMCA members will be given priority on waiting lists.

Any parent who desires may request an interview with management staff for the purposes of orientation.

If your child requires a facilitator and/or special assistance at school, contact the office before submitting an enrollment form to discuss your child's needs. Y-Club cannot provide facilitators, and children must be able to safely function within a 16:1 child to staff ratio. All children must be self-sufficient in the restroom to participate in Y-Club.

Playground Time

The children are allowed to play outside for at least 30 minutes every day, unless the temperature drops below 35 degrees F (including wind chill) or there is a heat advisory over 100 degrees F. Children must wear a coat/jacket when weather is under 50

degrees. MO Childcare Licensing requires that children are allowed outside play time when weather permits.

Late Pickup

In order to be fair and consistent with all families in our program, Y-Club has adopted a “no exceptions late policy”. Many of our staff have evening classes/obligations as well as families of their own. Please be considerate and arrive on time to pick your child up.

The school cafeteria clock will serve as the official Y-Club clock. Please synchronize your timekeeping devices with this clock. Frequent late pickups may result in removal from the program.

Late Fees

\$1.00 per minute per family will be charged if child is picked up after 5:30. Late Fees must be paid before returning to Y-Club the next day. Late fees can be drafted from your Y-Club account, or payment may be made at the Southern Boone Area YMCA.

Illness

Please do not bring an ill child to Y-Club/school. If your child was sent home from school due to an illness, s/he is ineligible for services that day. Should s/he become ill while in Y-Club, you will be called and asked to make arrangements for your child to be picked up. We will call you to pick up your child if s/he has the following:

- Fever of over 100 degrees

5. If your child is too sick to participate in outside play, they are too sick for Y-Club.

Notice to Parents Regarding Immunizations

On August 28, 2015, a new law regarding immunizations went into effect. Section 210.003.7, RSMo. states, "All public, private, and parochial day care centers, preschools, and nursery schools shall notify the parent or guardian of each child at the time of initial enrollment in or attendance at the facility that the parent or guardian may request notice of whether there are children currently enrolled in or attending the facility for whom an immunization exemption has been filed. Beginning December 1, 2015, all public, private, and parochial day care centers, preschools, and nursery schools shall notify the parent or guardian of each child currently enrolled in or attending the facility that the parent or guardian may request notice of whether there are children currently enrolled in or attending the facility for whom an immunization exemption has been filed. Any public, private, or parochial day care center, preschool, or nursery school shall notify the parent or guardian of a child enrolled in or attending the facility, upon request, of whether there are children currently enrolled in or attending the facility for whom an immunization exemption has been filed."

In accordance with Section 210.003.7, RSMo., the parent or guardian of a child enrolled in or attending Y-Club may request notice of whether there are any children enrolled at our facility with an immunization exemption on file. If you would like to request this information, please contact the Jefferson City Area YMCA and the information will be provided to you. Please note, the name or names of individual children are confidential and will not be released. Our response will be limited to whether or not there are children enrolled at our facility with an immunization exemption on file.

Medication Policy

If medication is needed during Y-Club hours, parents must follow the following procedures:

- 1) Fill out medication form complete with amount and frequency of dosage.
- 2) Medication must be in original container and marked with pharmacist's label including prescription number, date, child's name and physician's name.

- 3) At the end of any medication period or end of week, parents should take the unused medication home.
- 4) Do not send your child's medication with them in their backpack.
- 5) Medication in children's possession will be confiscated & given back to parent.

Behavior Management

The YMCA strives to teach the four core values of Respect, Responsibility, Caring and Honesty to all children in our program. We firmly believe in second chances, and use positive techniques such as redirection, clip charts and "Think Sheets" to promote reflection on behavior and provide ways for children to make better choices in the future.

However, some actions are considered too serious to be dealt with by these methods. A child can be sent home or placed in Y-Club in-house suspension for the following behaviors:

- Biting
- Hitting/Punching
- Spitting
- Hurting/threatening to hurt others or self
- Throwing Objects
- Stealing
- Purposefully revealing private body parts, or inappropriately touching another child
- Bringing/using a weapon at Y-Club
- Running away or leaving Y-Club or staff without permission
- Profanity
- Bullying, including ethnic/religious/cultural intolerance

No credits or refunds will be issued if a child is sent home/removed from the program due to disciplinary problems. If a child is sent home from Y-Club for frequent behavior concerns, they will be dismissed from the program. The Assistant Director/Director will make the final determination.

Parent Code of Conduct

We expect all parents in our program to model appropriate behavior for the children we serve. Parents who behave in the following manners will be asked to leave the Y-Club program:

- Use of profanity
- Behavior consistent with alcohol/drug use (see below statute)
- Physically threatening staff, children, self or other families
- Emotionally harming/intimidating staff, children or other families
- Attempting to confront/discipline a child other than their own.

MO Statutes on Drinking

Chapter 574/Offenses Against Public Order/Section 574.075. Drunkenness or drinking in certain public places prohibited – violation a misdemeanor (574.075). It shall be unlawful for any person in this state to enter any schoolhouse or church house in which there is an assemblage of people, met for a lawful purpose, or any courthouse, in a drunken or intoxicated and disorderly condition, or to drink or offer to drink any

intoxicating liquor in the presence of such assembly of people, or in any courthouse within this state and any person or persons so doing shall be guilty of a misdemeanor.

Confidentiality

Y-Club will not discuss children’s behavior or behavior consequences with anyone other than that child’s parent. All children have a right to privacy, and Y-Club will not violate that right, regardless of the situation. As part of a cooperative relationship, Y-Club and school officials may share information about the children in the program in order to better serve those children. Such information is also confidential, and shared on a “need to know” basis.

Emergency Early Dismissal/school cancellation for inclement weather
