

JUNE 2019 MEMBER OF THE MONTH

STEVE WILMOTH

This month we have selected Steve Wilmoth as the Member of the Month! Steve and his family's impact on the YMCA has been tremendous. Steve volunteers his free time year round to coach our youth wrestling program and his wife Kara coaches our spring and summer volleyball leagues. The Wilmoth's are some of the most caring and giving people I have ever met. Their drive and determination to help mold our youth goes above and beyond our expectations. I asked Steve to tell me what the YMCA means to him and why he enjoys volunteering his time.

"When I think of the Southern Boone YMCA, the word that I think of is opportunity. The YMCA gave myself and my family the opportunity to meet amazing people, who I have become great friends with. The YMCA gave my family the opportunity to have a second family in the wrestling program, and the YMCA Summer Camp gives my kids the opportunity to spend time doing activities with their friends outside of school. There are many other opportunities the YMCA provides now, and with the new facility the opportunities are endless."

Whenever called on to help, the Wilmoth family never hesitates to make the time. Thank you both for all your hard work and sacrifice! We greatly appreciate it!!

Sincerely,

Derek Mordica
