CAPITAL CAMPAIGN

Due to the success in 2016 from a growing membership base of more than 2,000 individuals, as well as new sports and fitness programming, we purchased 15 acres of land where we can build our own facility that will better meet the needs of our growing community. We are currently in our silent campaign phase. We will start the community portion of the campaign later this summer. For more information about the campaign, please contact the Branch Director Kip Batye at (573) 657-9600 or at kbatye@jcmca.org
