Policies and Procedures for Camp

Behavior Management

The YMCA strives to teach the four core values of respect, responsibility, caring and honesty to all children in our program. We believe in second chances and use positive techniques such as redirection and think sheets to promote reflection on behavior and ways to make good choices in the future.

However, some actions are considered too serious to be dealt with by these methods. A child may be sent home for the following behaviors (**including but not limited to**):

- Biting
- Hitting/Punching
- Spitting
- Stealing
- Throwing objects with the intent to harm people or destroy property
- Hurting/Threatening to hurt self or others
- Revealing/touching private body parts purposefully, or touching another child inappropriately
- Bringing a weapon to camp
- Running away or leaving camp/staff without permission
- Profanity
- Bullying, including ethnic/religious/cultural intolerance

If a child accrues excessive suspensions, they may be removed from the program for the rest of the summer.

We reserve the right to deny Y-Club to children removed from Summer Camp due to discipline problems.

No credits/refunds issued if a child is sent home/removed from the program due to disciplinary problems.

Parent Code of Conduct

We expect all parents in our program to model appropriate behavior for the children we serve. Parents who behave in the following manners will be asked to leave the YMCA:

- Use of profanity
- Behavior consistent with alcohol/drug use
- Physically threatening staff, children, self or other families
- Verbally bullying/intimidating staff, children or other families
- Attempting to confront/discipline a child other than their own.

Confidentiality

YMCA staff will not discuss children's behavior or behavior consequences with anyone other than that child's parent or legal guardian. All children have a right to privacy, and the YMCA will not violate that right, regardless of the situation.

Communication

Staff will use the table below for important announcements, schedules and newsletters. We also will use the Remind app to send out messages and reminders. You are also able to respond to messages within the app. See chart below to sign up for correct group. We will also use email to send important updates.

Employee/Child Contact Outside of YMCA Programs

No employee may have contact with a child in their program away from the YMCA. This includes, but is not limited to, transporting a child home, babysitting, socializing or sports.

Late Pickup Policy

In order to be fair and consistent with all families in our program, the YMCA has adopted a "no exceptions late policy". Many of our staff have evening classes/obligations as well as families of their own. Please be considerate and arrive on time to pick your child up. The YMCA clock will serve as the official camp clock. Please synchronize your timekeeping devices with this clock. Frequent late pickups may result in removal from the program.

\$1.00 per minute per family will be charged if child is picked up after 6:00 pm.

Late Pick-up with no Parent Contact

6:00 PM: Staff will attempt to contact parents.

6:15 PM: Emergency contacts called if parents have not responded.

Camp Activities and Programs

Swimming

Children will be required to have a pool pass through the Ashland Optimist. Please see their website to purchase pass.

Children will swim three times a week. The YMCA will provide sunscreen for your child unless you tell us otherwise. Please indicate your child's swim ability on the enrollment form:

- **None:** Child cannot swim at all. Child will be limited to shallow end, and must wear a backpack or life jacket at all times.
- **Limited:** Child can swim a little, but not much. Child will be limited to shallow end. Child will wear a backpack if they cannot "touch" in the shallow end.
- **Advanced:** Child is able to swim the length of the pool, and demonstrate proper breathing techniques. Child can swim in the shallow end without a backpack. Child may take the Deep End Test.

Lifeguards have final say on child's swim ability.

Field Trips

- Campers are asked to wear their camp shirts on Field Trip Days.
- Parents will be notified ASAP if a trip is cancelled.
- Parents are **WELCOME** to accompany their child on any field trips.
