Promotion Rules and Eligibility:

New Members:

- New memberships must be full membership types only. Adding members onto a current membership is not eligible for this promotion.
- New memberships are defined by the following types: Young Adult, Adult, Single Parent Family, Household, Senior Adult, Senior Couple. Memberships are counted by household units, not by the number of people in a household.
- The new member will be responsible for paying the joining fee and the prorated amount (amount remaining until first draft) at the time of sign-up.
- If the new member is a former member of the Y, he or she must have cancelled the membership a minimum of 60 days ago.
- New members must join the Southern Boone Area YMCA.
- The new member must notify the Y Service Desk of the referral at the time of joining.
- This offer is not retroactive if a referred member joined and did not present the referral form at the time of joining.
- If a new member joins during a Y membership promotion time, the current member will receive a free month for the referral and the new member will receive the benefit offered during the promotion. The new member will not also receive an additional free month.

Current (Referring) Members:

- Current Y members receive one free month for each new referred membership unit sold.
- A member can refer up to six new memberships for a total of up to six free months per calendar year. If you are a new member who joined because of a referral, you can invite up to five more new members for a total of six free months per calendar year.
- If a referring member currently pays no monthly dues out-of-pocket, he or she is eligible to receive \$20 in coupons towards Y programs.
- The free month of membership applies to the amount the current or new member pays out-of-pocket. For example, if a current member receives scholarship from the Y, he or she receives a free month for the amount he pays out-of-pocket.
- Current members must belong to the Southern Boone Area YMCA.
- If the new member is waiting to be approved for scholarship, the current member does not receive a free month (or \$20 in coupons) until the person activates their scholarship membership.
- Current members who paid a year up-front and refer someone will receive the credit amount toward his or her next membership renewal.

Additional Notes:

- This special is only valid when a current member of the Southern Boone Area YMCA refers a new member to the Southern Boone Area YMCA.
- The free month of membership applies to the amount the current or new member pays out-of-pocket. For example, if a current member receives scholarship from the Y, he or she receives a free month for the amount he pays out-of-pocket.
- The Y will issue no cash back for this promotion. If the member terminates their membership or loses membership privileges before receiving their free month(s), they will lose those free months.
- This promotion is not available in conjunction with the Y summer membership or holiday membership offers.
- The Y reserves the right to deny a free month(s) if the referral program appears to be abused by either the new or current member. The spirit of the program is to reward true referrals.
